## Leisure Landscapes to be Featured Exhibitor at Triangle Town Center

Leisure Landscapes was selected by the Richard E. Jacobs Group, Inc., owners and managers of the Triangle Town Center, to create an exclusive Spring exhibit for the mall's Center Court.

Jason Hanna of the Leisure Landscapes team was tasked with preparing the design concept and pricing the display. Paul Martin prepared the winning bid proposal.

The plan includes over 700 shrubs and trees, a large Gazebo, retaining walls, a paver patio, artificial turf, landscape lighting and irrigation displays. The site will serve as the center of the mall's Easter promotions.

Major partners in the exhibit include John Deere Landscapes, Leonard Building Accessories, Luck Stone and Taylor's Nursery.

"We are proud to be selected for this high-visibility exhibit" commented Paul Martin, President of Leisure Landscapes." and look forward, along with our partners, to bringing first-class products and services to Triangle Town Center's clientele.
