Leisure Landscapes selected for Shoppes of Heritage

Leisure Landscapes was selected by the Shoppes of Heritage LLC to be the maintenance provider for their new shopping center. The project is located on Rogers Road at the Heritage Business Park between Main Street and Forestville roads in Wake Forest, NC. The site provides convenience and specialty shopping for residents of Heritage and Wake Forest.

Dana Jones, a partner in the group, reports that "Leisure Landscape was selected because of their reliability and top value at a fair price." Paul Martin of Leisure Landscapes prepared the winning bid proposal.

Shoppes of Heritage will be maintained in top condition with the Leisure Landscapes Complete Care Plan.

The award comes after the successful installation of the landscaping and automatic irrigation systems. Leisure Landscapes will be providing their IrriGuard™ and Complete Care Plans. The contract becomes effective December 1, 2005.
